# COLLECTIVE BARGAINING AGREEMENT

## PREAMBLE

This collective bargaining agreement is entered into between the County of Cook and the Sheriff of Cook County, joint employers of employees covered by this Agreement (hereinafter collectively referred to as the "Employer") and the Illinois Fraternal Order of Police Labor Council (hereinafter referred to as the "Union").

## ARTICLE I RECOGNITION

### Section 1.1 Representative Unit:

The Employer recognizes the Union as the sole and exclusive representative for all employees of the Employer in the defined bargaining unit described as all full-time employees in the Merit Board classification of Deputy Sheriff other than Police Officers and Correctional Officers, and excluding all confidential employees as determined by the Labor Board.

### Section 1.2 Union Membership:

The Employer does not object to Union membership by its employees, and believes that certain benefits may inure from such membership. For the purpose of this Section, an employee shall be considered to be a member of the Union if he/she timely tenders the dues and initiation fee required as a condition of membership.

The Employer will grant the Union an opportunity during the orientation of new employees to present the benefits of Union membership, at which time the Union may give such employees a copy of this Agreement.

### Section 1.3 Dues Check-off:

With respect to any employee from whom the Employer receives individual written authorization, signed by the employee, in a form agreed upon by the Union and the Employer, the Employer shall deduct from the wages of the employee the dues and initiation fee required as a condition of membership in the Union, or a representation fee, and shall forward such amount to the Union within thirty (30) calendar days after close of the pay period for which the deductions are made. The amounts deducted shall be set by the Union, and the Employer shall continue to retain a service charge of up to five cents (5¢) for making each such deduction.

### Section 1.4 "Fair Share":

1. The County shall grant "Fair Share" to the Union in accordance with Sections 6(e)-(g) of the Illinois Public Labor Relations Act upon satisfactory demonstration to the County that the Union has more than 50% of the eligible employees in the bargaining unit signed up as dues paying members. Once this condition has been met, all employees covered by this Agreement will within 30 days of the Union meeting said condition or within 30 days of their employment by the County either (1) become members of the Union and pay to the Union regular Union dues and fees or (2) will pay to the Union each month their fair share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours, and other conditions of employment.
2. Such fair share payment by non-members shall be deducted by the County from the earnings of the non-member employees and remitted to the Union, provided; however, that the Union shall certify to the County the amount constituting said fair share, not exceeding the dues uniformly required of members of the Union; and shall certify that said amount constitutes the non-members' proportionate share of the Union's costs of the collective bargaining process, contract

administration and pursuing matters affecting employee wages, hours and other conditions of employment.

3. Upon receipt of such certification, the County shall cooperate with the Union to ascertain the names of and addresses of all employee non-members of the Union from whose earnings the fair share payments shall be deducted and their work locations.
4. Upon the Union's receipt of notice of an objection by a non-member to the fair share amount, the Union shall deposit in an escrow account, separate from all other Union funds, 50% of all fees being collected from non-union employees. The Union shall furnish objectors and the County with verification of the terms of the escrow arrangement and, upon request, the status of the Fund as reported by the bank.

The escrow fund will be established and maintained by a reputable independent bank or trust company and the agreement therefore shall provide that the escrow accounts be interest bearing at the highest possible rate; that the escrowed funds be outside of the Union's control until the final disposition of the objection; and that the escrow fund will terminate and the fund therein be distributed by the terms of an ultimate award, determination, or judgment including any appeals or by the terms of a mutually agreeable settlement between the Union and an objector or group of objectors.

5. If an ultimate decision in any proceeding under state or federal law directs that the amount of the fair share should be different than the amount fixed by the Union, the Union shall promptly adopt said determination and notify the County to change deductions from the earnings of non-members to said prescribed amount.

**Section 1.5 Religion Exemption:**

Employees who are members of a church or religious body having a bona fide religious tenet or teaching which prohibits the payment of a fair share contribution to a union shall be required to pay an amount equal to their fair share of Union dues, as described in Section 4, to a non-religious charitable organization mutually agreed upon by the Union and the affected employees as set forth in Section 6 (g) of the Illinois Public Labor Relations Act.

**Section 1.6 Indemnification:**

The Union shall indemnify and save the County harmless against any and all claims demands, suits, or other forms of liability that may arise out of or by reason of any action taken by the County for the purpose of complying with this Article. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved employee.

## **ARTICLE II EMPLOYER AUTHORITY**

**Section 2.1 Employer Rights:**

The Union recognizes that the Employer has the full authority and responsibility for directing its operations and determining policy. The Employer reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon it and vested in it by State and Federal Statutes and Constitutions, and to adopt and apply all rules, regulations and policies as it may deem necessary to carry out its statutory and constitutional responsibilities. Employer rights shall be limited only by the specific and express terms of this Agreement. Employer rights include, but are not limited to:

- A. The Union recognizes the exclusive rights of the Employer to determine its policies, standards of services and to operate and manage its affairs and to direct its work force in accordance with its

responsibilities. The Employer has all the customary and usual rights, power and functions of management.

- B. The Union recognizes the exclusive rights of the Employer to hire, transfer, promote, discipline and suspend employees and to establish reasonable work rules, make work assignments, determine schedules of work, methods, processes and procedures by which work is to be performed, place, methods, means and number of personnel needed to carry out the Employer's responsibilities and duties as well as the right to determine work, productivity, reasonable performance and evaluation standards.
- C. The Union recognizes that the Employer has the right to change existing or introduce new methods, equipment or facilities and the right to contract for goods and services.
- D. The Employer has the right to make, publish and enforce general orders, rules and regulations and the Employer has the right to reclassify existing positions based on assigned duties and responsibilities, or make changes in assigned duties and responsibilities.
- E. The Employer has the right to enter into mutual aid and assistance agreements with other units of government.
- F. The Employer has the right to establish standards to which force, including deadly force, can be used.
- G. The Employer has the right to take any and all actions as may be necessary to carry out the duties and responsibilities of the employer in situations of civil emergency as may be declared by the employer. It is the sole discretion of the employer to determine that civil emergency conditions exist, which may include but not be limited to riots, civil disorders, tornado conditions, floods, other emergency conditions, or other circumstances beyond the control of the employer which call for immediate action whereas it may be required to assign employees as the Employer deems necessary to carry out its duties and responsibilities.

**Section 2.2 Employer Obligation:**

The Union recognizes that this Agreement does not empower the Employer to do anything that it is prohibited from doing by law.

It is further understood that any actions taken in the areas of wages, hours, and terms and conditions of employment shall be done in accordance with the Illinois Public Labor Relations Act.

**Section 2.3 Union and Employer Meetings:**

For the purpose of conferring on matters of mutual interest which are not appropriate for consideration under the grievance procedure, the Union and Employer agree to meet at least every three (3) months through designated representatives at the request of either party to take place during the monthly Union Steward meetings.

Arrangements for such meetings shall be made reasonably in advance and a written agenda of the matters to be taken up at the meeting shall be presented by the requesting party five (5) days prior to the date the meeting is scheduled.

## **ARTICLE III HOURS OF WORK AND OVERTIME**

### **Section 3.1 Purpose of Article:**

The provisions of this Article are intended to provide the basis for calculating overtime pay, and shall not be construed as a guarantee of hours of work per day or days per week or pay in lieu thereof, or as a limitation upon the maximum hours per day or per week which may be required.

### **Section 3.2 Regular Work Periods:**

Hours worked and schedules in effect at the time of this contract shall remain in effect. Any changes will be discussed with the Union prior to implementation.

Except as provided elsewhere in this agreement, an employee's normal work hours shall generally consist of eight (8) consecutive hours of work. Each eight (8) hour work day shall be interrupted by a one (1) hour paid lunch break.

### **Section 3.3 Compensatory Time and/or Overtime Compensation:**

- A. Employees may be assigned to overtime work provided that such overtime shall be limited to either emergency condition which cannot be deferred and which cannot be performed with the personnel available during normal work hours, or because of an abnormal peak load in the activities of the institution or department.

Employees' normal workday shall be eight (8) consecutive hours of work including a one-hour paid lunch. Employee's normal work week is forty (40) hours of work in a seven-day period, Sunday through Saturday. For all hours of work in excess of eighty (80) hours in a bi-weekly pay period, employees will be compensated at a rate of time and one-half (1-1/2) their normal rate of pay. At the employee's option, such compensation will be made in the form of compensatory time off or pay. For purposes of this section, hours of work shall, in addition to hours actually worked, include all paid time excluding sick time.

- B. Compensatory time off may be used in time-blocks of one (1) hour or more at a time mutually agreed to between the employee and his/her supervisor. Compensatory time may be used in one-half (1/2) hour increments only when requested to be used at the end of a shift subject to manpower needs and subject to the approval of the employees' supervisor.

### **Section 3.4 Overtime:**

- A. Overtime scheduled at least seven (7) days in advance shall be offered to employees on the basis of seniority and shall be equitably distributed among employees who request such work. Each employee shall be selected in turn according to his or her place on the seniority overtime list, by rotation. When possible, overtime scheduled less than 7 days in advance shall be offered to employees within each facility and unit who request such work by rotation. Overtime lists shall be updated every three (3) months.
- B. An employee requesting to be skipped when it becomes his/her turn to work overtime shall be rotated to the bottom of the seniority list. An employee who works overtime will be placed at the bottom of the overtime seniority list once the overtime is received.
- C. Overtime scheduled 7 days in advance will be denied to an employee for just cause. An employee may be denied such overtime under this sub-section if the employee has been found guilty of a departmental rule violation while working overtime and received a suspension of 5 (five) days or more. The maximum period of time an employee can be denied overtime under this sub-section will be the number of days of the suspension plus an additional thirty days. An

employee may also be denied such overtime if the employee is on "proof status" at the time the overtime is offered.

**Section 3.5 Secondary Employments:**

It is understood between the parties that employment with the Cook County Sheriff's Office is the employee's primary job. In all instances, the employee will operate within the guidelines of the department General Order, regarding secondary employment in effect at the time of this Agreement.

Employees engaged in secondary employment with permission shall be allowed to work unlimited hours as long as these hours do not affect the employee's ability to perform his assignments with the employer. Once allowed, secondary employment shall not be terminated except for just cause.

A request for secondary employment shall be denied, under the following circumstances, when the secondary employment is in an establishment where the primary business is the sale of intoxicating liquor or gambling;

1. The employment includes serving as a bartender and/or dispensing intoxicating liquor.
2. The employment includes serving as a cocktail waiter/waitress.
3. The employment is security related
4. The Sheriff's Office deems that the employment will bring discredit upon the department.

Working armed security related secondary employment while on medical hours may not be subject to traditional progressive discipline.

The provisions of this Article supplement and modify the provisions of the Employee's Grievance Procedure applicable to all employees.

The purpose of this Article is to specify the method by which employees may present grievances and seek redress. This policy shall apply to all bargaining unit employees under the jurisdiction of the Employer.

This policy shall apply to all bargaining unit employees without discrimination as to age, sex, marital status, race, creed, color, national origin, physical handicap, political affiliation or political activity.

All employees shall have a right to file a grievance and shall be assured freedom from coercion, restraint, or reprisal.

The term "Employer" as read throughout this procedure refers to both the County and the Sheriff as "Joint Employers." It is recognized that because a joint employer relationship exists, certain grievances are appropriately answered by the elected official and others by county administration, depending on the subject matter of the grievance.

The Employer is committed to fair employment practices and recognizes its responsibility to review and make reasonable effort to resolve employees' grievances. An employee is encouraged first to discuss the problem with the immediate supervisor. If the employee feels the problem has not been satisfactorily adjusted as a result of this discussion, the employee may advance review in accordance with this grievance procedure.

### **Section 11.2 Definition:**

Unless mutually agreed otherwise, the parties mutually agree to waive post-hearing briefs to expedite the decision by the arbitrator.

The employee will not serve a suspension if the Employer cannot schedule the hearing within 90 days and conversely, the employee will serve the suspension prior to hearing if the Union/employee cannot schedule the hearing within 90 days, unless the parties mutually agree otherwise.

The decision of the Arbitrator shall be binding.

2. Expenses for the Arbitrator's services and the expenses which are common to both parties to the arbitration shall be borne equally by the County and the Union. Each party to an arbitration proceeding shall be responsible for compensating its own representatives and witnesses.

**C. Cooperation**

Officers shall be required to cooperate with the Employer during the course of the investigation, administration or litigation, of any claim arising under this Section.

**D. Applicability**

The Employer has the right to send the employee to its own physician for a second opinion by an Independent Medical Examiner ("IME"), whose opinion shall be final and binding.

The employer will determine the potential assignments available for a transitional work plan and provide this list to the Union annually. Placement into the transitional work plan shall be filled on a first come, first served basis, regardless of seniority, with notification of such assignment to the Union. The Employer shall not be obligated to increase the number of Deputies or assignments available for a transitional work plan.

The Employer shall determine whether or not a recognized vacancy shall be filled. If and when the employer determines to fill a recognized vacancy, this article shall apply. Further, there is no recognized vacancy created as a result of emergencies, or when an employee is removed for disciplinary reasons for up to 30 days. When an employee is suspended and removed for disciplinary reasons for more than 30 days a recognized vacancy is created. The temporarily assigned employee will be reassigned to the position, from which he was transferred upon the completion of the temporary assignment. Temporary assignments will not be used to avoid Job posting and bidding. It is understood that union stewards will not be temporarily assigned under this Section unless there is an extreme emergency requiring such action. - F. It is recognized that the Employer shall fill a vacancy with the successful bidder within 70 days except in cases of exceptional circumstances.

It is recognized that the employer has the right to transfer or reassign employees for just cause including but not limited to inadequate job performance that seriously affects operations.

**Section 15.6 Exceptions to the Requirements of Job Posting, Bidding and Transfers:**

Notwithstanding any other provision of this Article XV, including the posting and bidding provisions, the parties agree:

By mutual agreement, the Sheriff and the Union may waive the 14 day notice period.

The Union will be provided a copy of all postings by the Chief Deputy's Office.

Deputies in the Cook County Sheriff's Court Service- Division that are not assigned to a specialty unit shall be allowed a one-time switch of assignments with an officer that is not assigned to a specialty unit. The Union will post positions offered for switch (including assignment and day off group) on Union bulletin boards and any Deputy who wishes to switch his or her current assignment for the posted assignment shall fill out the appropriate form at the Union office. The Union will transmit the forms of all interested parties to the administration. The administration will conduct a review to determine if the employees are eligible. Officers may only switch shifts once a bidding cycle or once every twelve (12) months whichever is greater, and the switch will remain in effect until the next bidding cycle or twelve (12) months, whichever is greater. If there is more than one Deputy who wishes to accept a shift-exchange with another Deputy, the Deputy with the most seniority will be chosen.
